## OFFICE OF THE VICE CHANCELLOR

**From:** Vice Chancellor  
**To:** Faculty, Staff and Students  
**Message:** End of Semester Report on COVID-19

Dear Friends,

We are inviting your kind attention to the following

1. COVID-19 still in existence and so we are praying for heightened vigilance.
2. Bugema University Hospital still going on with COVID-19 vaccination program. As per 20/12/2021 there were enough dozes to cover us all
3. Ensure that your vaccination card is well kept. Just in case it is required as a pre-requisite for proof of vaccination.
4. The Ministry of Education is planning to use smart card technology for COVID-19 surveillance. As soon as details are finalized you will be given the detailed report.
5. *It has emerged that some of us displayed hostility to security staff in the process of enforcing standard Operating Procedures. As Task Force we denounce this and will seek administrative intervention in the event of this re-occurring.*
6. Data backlog at the Luweero District is still an inhibiting factor in accessing your vaccination E-card. Please be more patient.
7. COVID – Omicron Virus. It reached Uganda and is believed to be 5 times more toxic than Delta. We pray that every one will be twice as vigilant as before.
8. We sincerely appreciate University Administration for showing concern for our health by facilitating the production and dissemination of relevant information about COVID-19 and lobbying for our Health Centre to become a vaccination Centre

*Happy holiday and New Year Wishes*
